

# Beach Ball Bingo

## Giant Bingo, great fun!

Beach Ball Bingo is a group energiser activity that combines the types of skills and techniques required for bingo, chess & beach volleyball! This is a high energy activity which requires fast-thinking, cooperation and excellent communication to achieve a call of "House"!

### How it Works

Each team is given a giant bingo card which becomes their target to complete. Loads of beach balls, onto which the numbers are stuck, are released into the audience passing from person to person and team to team until "house!" is called. Visually exciting, this event will get your group up on their feet with all the fun of the bingo!

### The End Results

- 6 Create a fun and stimulating atmosphere
- 6 Team versus group dilemma
- 6 Re-energises participants
