

Murder Mystery

Choose a murderous plot and watch it unfold with our actors challenging you to work out “who dunnit”?

Murder Mystery is a fantastic way to entertain your guests. With a variety of themes from the Scottish Moors to the Swinging Sixties, you can create an atmosphere to suit your guests.

How it Works

After a short introduction by the characters, dinner will be served and the actors will retreat to allow the guests to enjoy their meal. Props and information will be revealed to the guests between courses so that they can start to address the issues at hand and uncover carefully placed clues. After dinner, the actors will rejoin guests to reveal “who dunnit” and of course the winning team!
