

Race Night

Back a winner with this themed Race Night.

This fully themed evening activity will have your team enjoying all the thrill of the races without gambling their life savings! A Race Night is a fantastic event to get your teams talking tote and turf!

How it Works

Our hilarious compere will oversee proceedings and ensure great banter throughout the evening. On arrival an agreed amount of fun money is allocated to each punter to bet on the races. Horses are sold just like a real day at the races with varying odds and punters placing their bets. After each race the winners are paid out in fun money and after the last race the overall winners receive a prize.

The End Results

- 6 Entertains guests
- 6 Encourage guests to interact
- 6 Create a fun and relaxed atmosphere
