

Wildgoose for Corporate Team Building

Events with Wildgoose

At Wildgoose we have taken location-based team building to the next level. Using cutting edge technology, we'll have your teams working together to answer interactive questions and complete brilliantly compiled challenges that will motivate and inspire.

By leveraging people's natural desire for competition, achievement, status and self-expression, Wildgoose are able to produce amazing results which will be the talk of the office for months.

One app, many uses

Our Mobile Adventures app is the most sophisticated events product on the market, making it ideal for:

- Team Away Days
- Training & Development
- Company social events
- Conference break out activities
- Location based games with a difference that can last a day, week, month or year.
- Fully customised events

Where can you use it?

In short, anywhere...

We can build an experience that can be tailored to fit your exact objectives, used in a wide range of locations:

City Centres

Museums

Venues

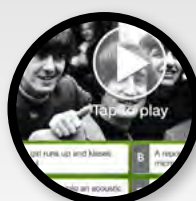

Hotels

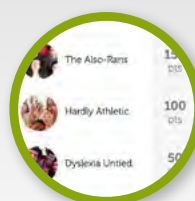

It's all about **Gamification**

Our Mobile Adventures app uses a gamification process to engage participants in a way that is both motivating and fun.

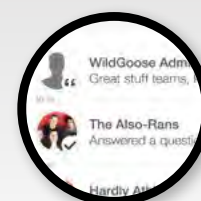

This is achieved through a multitude of dynamic challenge based features:

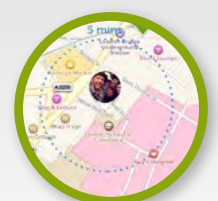

Interactive Challenges & Questions

Live Scoring System

Event manager controls

GPS location tracking

A complete **Multimedia Experience**

Utilising every type of multimedia at our disposal:

Video

Audio

Images

Augmented Reality*

Features

Maps

We use dynamic live maps, or static indoor maps (or both) to create games that make the most of your chosen area.

Live & Interactive

Receive instant feedback on your answers, live messages from your event manager and status updates from all of the teams. We can include bonus challenges when you reach certain points thresholds, timed questions, a live scoreboard and more curveballs than you can throw a... well, a curveball at!

GPS

GPS activation where you'll have to be in a specific location to activate your tasks.

Image Recognition

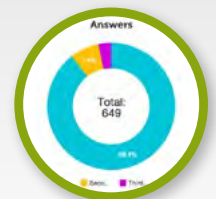

Image Recognition activation where you'll have to scan an image, plaque, beer mat, label or indeed anything we choose to unlock your tasks!

Did you know... **About app personalisation?**

We can personalise your event with content to fulfil any objective, whether it's through images, questions or challenges.

Do you want fun and crazy? No problem – we are a creative bunch with ideas to match! Or maybe you want something more serious with measurable team outcomes? Consider it

done through our sophisticated in-app feedback module. Oh, and we can wrap it all up in your brand identity to make this the most personalised event you have ever been on.

Feedback & Reporting

Here at **Wildgoose**

We take what we do very seriously, and our passionate team is proud of what Wildgoose stands for.

Why choose Wildgoose? Because we think that we are the best in the business at what we do:

Expertise. This is all we do, and last year delivered over 450 events worldwide for in excess of 25,000 participants.

A Global Family. We now have 10 global licensees who use our app, providing us with a melting pot of new ideas and creativity.

A great team. A great company needs a great team, and we have some of the best in the business. And we keep growing!
